WELCOME

Once again it has been an extremely busy time for members of the RMB. The Regional Round of National Schools was again a huge success with the competition running extremely well. Many thanks to all RMB members and the Wavell Local league for their support. The one area that we will be reviewing is car parking. We shall be looking at ways of restricting the number of cars on to the school site as there were issues from a small minority of parents who were not co-operative.

It is with regret that I need to inform you that Priya Samuel will be stepping down from the RMB. Her last Board meeting will be in March, thus we will be looking for a coach to take on the role of Chair of coaching Group.

Our Board members continue to work for our members, but as Board we would wish to encourage individuals with the following skills to apply for the Board, or alternatively we can co-opt as an interim measure. We are looking for individuals with the following skills:

- Events and marketing;
- Legal and/or personnel;
- Coaching and performance.

In addition due to U17 competition in July 2016 at Loughborough, we are also looking for the following volunteers:

- Assistant coach to U17;
- Team manager for U17.

For next season we are also looking to recruit to the following roles:

- Team manager for Team South;
- Administrator for Team South - booking venues, making travelling arrangements, booking hotels.

For all roles full expenses will be paid. If you are interested, please contact me for further information.

Regional Round of National Schools

The South Regional National Schools Competition took place on the 30th January, 41 Teams from across the South region joined us at Wavell School to compete for places in the National Finals in U14s, U16s and U19s.

It was a chilly start in Farnborough but play got underway with group stages at 10am. Each age group was split into two groups all competing for a place in the semi-finals. There was some fantastic netball played throughout the day with all the players showing great sportsmanship and plenty of supporters around cheering on the teams.

In the U14s, St Helens & St Katherines, Queen Anne's, Beaconsfield and Brighton all progressed to the semi-finals. St Helens & St Katherines were victorious over Brighton in a very tight match to earn a place in the finals and a place heading to the National Finals next month. Beaconsfield vs Queen Anne's was also a very evenly contested game. It was Beaconsfield who came out on top to head to the finals!

Wellington, Beaconsfield, Durrington and Aylesbury High all made it to the Semi-Finals in the U16 competition. Group C winners, Wellington, were up against group D runners up, Aylesbury High.

Aylesbury High took the win by just a single goal and head into the finals along with Beaconsfield who denied Durrington a place in the finals.

In the U19s Brighton and Beaconsfield both overcame their opponents with impressive goal margins over Hurst college and Wellington college respectively. Both Brighton and Beaconsfield will join the U14 and U16 Semi Finals winners at the National Finals in March.

Although the winners of the semi finals both head to Nationals, finals and 3/4th play offs finished off the day.

The results following the finals:

U14—St Helens & St Katherines 7—13 Beaconsfield High

U16—Aylesbury High 3—7 Beaconsfield High

U19—Brighton College 13-12 Beaconsfield High (AET)

3rd/4th Play Offs

U14—Brighton College 10—9 Queens Anne's

U16—Wellington 10 —14 Durrington

U19—Hurst College 8-9 Wellington

Well done to all the schools who took part in the National Schools Competition and thank you to all the coaches, teachers, parents and supporters for enduring the cold to cheer on all the teams!

A huge thank you to all the volunteers who were involved in making this event happen. The tournament officials and umpires all did a fantastic job in ensuring that everything ran well on the day.

Good luck to the schools who will be representing the South region at the National Schools Finals in March:

U14—Beaconsfield High and St Helens & St Katherines

U16—Beaconsfield High and Aylesbury High

U19—Brighton College and Beaconsfield High

CAPs Clubs

The last CAPS assessment at the end of November 2015.

Congratulations to Dreams Netball club for re-accrediting at Silver Level

Following completion of their folders and a successful assessment in November they were awarded their Silver CAPS. This prestigious accreditation is only given to clubs who can demonstrate that they are offering a good quality netball provision within their community.

If you are interested in becoming a CAPS accredited club please contact the Regional office or your County Netball Development Officer for further details and support. The process is outlined on the next page.

Regional Office: South@englandnetball.co.uk

Development Officers

Hampshire & IOW: Carey.McCormick@englandnetball.co.uk

Berkshire & Oxfordshire: Nicola.Young@englandnetball.co.uk

Sussex: Stacey.Boxall@englandnetball.co.uk

Buckinghamshire : Joanne.Odro@englandnetball.co.uk

The CAPS Process

Steps to achieving CAPS

What help is available?

Step 1

Registration

Register your club for CAPS by completing the registration form and returning it to England Netball. You must have junior members (U19) and be affiliated to England netball

Download the form from www.englandnetball.co.uk/make-the-game/caps or contact your regional office

Step 2

Working towards CAPS

Actively work towards CAPS. You may want to form a working group to assist with completing the assessment file and collecting evidence.

Your Netball Development Officer (NDO) will contact you to arrange a meeting to go through the assessment file.

Step 3

Submission of file

Once you have completed the assessment file you need to submit this to your regional office by one of the assessment dates.

Find the assessment dates at www.englandnetball.co.uk/make-the-game/caps or contact your regional office.

Achieve Bronze CAPS

Step 4

Annual Health Check

Once you have achieved CAPS you must complete an Annual Health Check each year of accreditation. This is a self-declaration process to ensure that clubs are maintaining CAPS status.

Your regional office will contact you when you need to complete your Annual Health Check and your NDO will assist you if you need help.

Step 5

Silver and Gold CAPS

Once you have achieved Bronze CAPS you have the option for going for Silver or Gold.

If you wish to submit for Silver or Gold CAPS contact your regional office who will advise and support your club.

Step 6

External Verification

Clubs are randomly selected each year to be externally verified by an independent organisation to ensure that they are meeting Clubmark standards.

If your club is selected you will be informed by England Netball and you will be contacted by ClubMark, the organisation responsible, to arrange a date and time that is convenient.

Step 7

CAPS Re-accreditation

Every four years CAPS clubs must re-accredit. This will involve re-submitting the assessment file.

Your regional office will contact you to tell you when you need to re-accredit and your NDO will be available to assist you with updating your assessment file.

Back to Netball

South Hampshire Back to Netballers raise £600 for Children in Need

Back to Netballers from across South Hampshire came together recently for a fun-filled festival to raise £604 for the BBC Children in Need appeal.

8 teams from Southampton, Fareham, Gosport, Portsmouth and Hayling Island played in a friendly tournament, with Gosport-based Netstars coming out on top to take the winners' medals, remaining unbeaten through the evening.

England Netball's Community Coach Debbie Laycock organised the event and said "It was a fab evening, a great opportunity for our local back to netball participants to play games in a friendly environment and even better that we made so much money for a great cause! Huge thanks to Gosport Leisure Centre for hosting us for free, meaning all the money raised went to charity"

Teams were encouraged to dress up for the event and they didn't disappoint with various creations and themes displayed, including 80's, Disney, robbers and animals. The winners for the 'Best Dressed Team' went to Fareham Flyers for their 'Where's Wally' theme, which they wore from start to finish!

Most of the money raised came from a successful raffle on the evening, with prizes donated by Southampton Climbing Centre, Portsmouth Golf Centre, Watkins & Faux Café, HC Tournaments and Movelat.

Laycock added 'Huge thanks to everyone who donated and contributed to the raffle – it was really well supported. Huge appreciation also goes to our volunteer umpires on the evening, Angie Osborne, Hayley Townsend, Rachel Teal and Kelly Wallis who all did a superb job. They dressed as angels and they lived up to their name!'

Workplace Back to Netball Festival

St John's College staff Back to Netball success

Staff from St John's College in Southsea took home the winners' medals from the latest workplace Back to Netball festival, organised by England Netball.

The festival was only the second of its kind in the city, run by England Netball's Netball Development Community Coach Debbie Laycock in partnership with Portsmouth City Council's Sport Officer Matt Birch, attracting teams from organisations such as Apollo Fire Detectors, Mercury, Mountbatten Centre and Portsmouth City Council.

The St John's College ladies, all teachers and support staff from the school, remained unbeaten during the event held at the Mountbatten Centre. Captain Abi Nelson explained: "We were thrilled to win the festival – but it all started at the first Back to Netball workplace event last September. We entered for a giggle and surprised ourselves by winning a few games! Since then most of us have been attending regular Back to Netball sessions and really enjoying them."

She added: "We've really benefitted as a group of colleagues and have talked some of our other members of staff into giving it a go. We were delighted that all our hard work bore fruition at the festival, it's the first ever sporting medal I have ever won!"

Portsmouth City Council side Stacey's Stunners took home the runners-up medals, only losing to the eventual winners.

Debbie Laycock explained: "It was another great response from businesses and organisations from the local area. Out of the seven teams that entered into this festival, we had 29 ladies who haven't played netball for a number of years. That's what Back to Netball is all about – having a giggle, playing with friends and having a run around it's not about who's best or how often you play!"

"We've received some great feedback on this festival and we'll look to put more festivals on during the summer months, including a mixed one for the men to get involved"

Community Court Opening

Years of hard work have paid off for community netball team Laurel Park, as local council agreed to re-vamp a run down facility. The Chalfont Park courts have undergone a transformation and are now re-surfaced, re-fenced and ready for action. Lisa Wise, Head Coach for Laurel Park, had been desperate for a local facility to train at, and also support the development of netball and women's sport in the area. The 3 floodlit courts will provide a great outdoor facility for netball amongst other sports. Both Back to Netball and Netball Now programmes are set to run at the facility!

The courts were officially opened on Monday 15th February 2016 by Wokingham Borough Council Mayor Councillor Parvinder Singh Batth

County and Borough Sports Awards

Get Berkshire Active Awards : Coach of the year—Lisa Wise

Lisa has had an instrumental year coaching at Laurel Park Netball Club, which she set up back in 2012. Due to Lisa's love for Netball and the commitment she has shown, the club has developed into 12 different teams which play in 5 separate leagues across Berkshire. Lisa also runs Back to Netball and Netball Now sessions for women who enjoy playing casually. Lisa works tirelessly to promote Netball in the county and is regularly featured on BBC Radio Berkshire, she even organises mixed Netball sessions to allow men to get in on the action. Lisa's passion and enthusiasm for Netball has allowed 100's of people to play Netball.

Get Berkshire Active Awards: Club/Team of the Year—Woodley U16s

Woodley Netball U16s managed to raise the clubs profile this year through their extraordinary achievements. The team leapt to victory in the National U16 Club Finals that were held in Redbridge, Essex in May. The final match saw a close encounter against Manchester-based team Tameside, but Woodley managed a winning goal in the dying seconds of the match to ensure a famous victory for the Berkshire based Netball Club. The team showed outstanding individual talent throughout, but more importantly the phenomenal teamwork and determination to succeed ensured victory for the girls team.

Eastleigh Sports Awards: Service to Sport—Gwen Silvester (Far L left in picture)

Eastleigh Sports Awards—Service to Sport

The Service to Sport category is given to those who have committed a minimum of 10 years to their chosen sport locally. **Gwen Silvester** founded Swan Netball Club in 1982 who wanted to start a club for Mums with young families, so she went door knocking in Boyatt Wood, Eastleigh and formed a Netball Club based at Crestwood School. Over 30 years on she is still a very active volunteer and a well - loved member of the Swan netball family, which boasts 17 teams and over 300 people. In those years Gwen has always been an active volunteer for the club holding various roles

Oxfordshire Sports Awards: Coach of the Year—Julie McDermaid

The Oxfordshire Sports Awards raises awareness of the value of sport and physical activity to individuals and communities of Oxfordshire. They recognise the contribution of those who deliver sport and physical activity at local level, including schools and clubs, volunteers, coaches and sport development officers. Julie McDermaid took home the coach of the year award for her contributions to netball.

Julie's nomination came from her club—Didcot Netball Club—who said that her passion and commitment to the club has been second to none. She has been an inspiration to many and is a major contributor to the success of the club. She has enabled thirty ladies from all walks of life to not only enjoy netball again, but to develop skills, improve fitness and participate in competitive sport.

Julie coaches both the senior and junior sections of the club and also support local primary schools in their netball enabling many women and young girls to get involved with netball.

Netball South EOS Festival

Netball South is delighted to announce an End of Season Festival to celebrate England Netball's 90th Anniversary and to support Sport Relief.

The event will be held outside at Wavell School, Lynchford Rd, Farnborough, Hampshire, GU14 6BH on:

Saturday 4th June 2016

We welcome entries in the following sections:

- Walking Netball,
- Masters (Over 35's),
- Mixed (minimum of 3 men per team)
- Fancy Dress where teams need to dress in "decade" themed fancy dress but must be able to play netball safely.

As this is a fundraising event for Sport Relief, the Officiating Technical Support Group (OTSG) has generously agreed to provide all umpires at no cost to the teams.

Entry fee per team £90.00 (includes free provision of umpire and all profits go directly to Sport Relief).

Teams outside the South Region and those wanting to enter a 2nd team will be accepted on first come first served basis and only notified if successful after closing date when numbers are known.

Any team withdrawing after the entry deadline will forfeit their entry fee.

CLOSING DATE FOR ENTRIES SUNDAY 8th MAY 2016
