CAPs Clubs

The Club Action Planning Scheme (CAPS) is a programme designed to captivate you and your netball club. It aims to support you to deliver a quality netball development programme and operate in line with best practice.

If you are interested in becoming a CAPS accredited club please contact the Regional office or your County Netball Development Officer for further details and support. The process is outlined on the next page.

BIG CAPS NEWS

In March 2017, CAPS went online. This has made the process of CAPS smoother, quicker and far more efficient. Going forward all new and reaccrediting clubs will go through the online system.

If you have any questions about the new process please contact the South Regional Office: South@englandnetball.co.uk

Development Officers

Hampshire & IOW: Debbie.Spindlow@englandnetball.co.uk

Berkshire & Oxfordshire: Vacant

Sussex: Stacey.Boxall@englandnetball.co.uk

Buckinghamshire : Joanne.Odro@englandnetball.co.uk

The CAPS Process

Steps to achieving CAPS

What help is available?

Step 1

Registration

Register your club for CAPS by completing the registration form and returning it to England Netball. You must have junior members (U19) and be affiliated to England netball

Download the form from www.englandnetball.co.uk/make-the-game/caps or contact your regional office

Step 2

Working towards CAPS

Actively work towards CAPS. You may want to form a working group to assist with completing the assessment file and collecting evidence.

Your Netball Development Officer (NDO) will contact you to arrange a meeting to go through the assessment file.

Step 3

Submission of file

Once you have completed the assessment file you need to submit this to your regional office by one of the assessment dates.

Find the assessment dates at www.englandnetball.co.uk/make-the-game/caps or contact your regional office.

Achieve Bronze CAPS

Step 4

Annual Health Check

Once you have achieved CAPS you must complete an Annual Health Check each year of accreditation. This is a self-declaration process to ensure that clubs are maintaining CAPS status.

Your regional office will contact you when you need to complete your Annual Health Check and your NDO will assist you if you need help.

Step 5

Silver and Gold CAPS

Once you have achieved Bronze CAPS you have the option for going for Silver or Gold.

If you wish to submit for Silver or Gold CAPS contact your regional office who will advise and support your club.

Step 6

External Verification

Clubs are randomly selected each year to be externally verified by an independent organisation to ensure that they are meeting Clubmark standards.

If your club is selected you will be informed by England Netball and you will be contacted by ClubMark), the organisation responsible, to arrange a date and time that is convenient.

Step 7

CAPS Re-accreditation

Every four years CAPS clubs must re-accredit. This will involve re-submitting the assessment file.

Your regional office will contact you to tell you when you need to re-accredit and your NDO will be available to assist you with updating your assessment file.
