

TERMS OF REFERENCE

COACHING TECHNICAL SUPPORT GROUP

Aim of the Group

To develop and support coaches in the region from grassroots to performance levels.

Membership of the Group

- Chair – Coaching representative from Netball South Management Board.
- Representative of the Performance TSG
- The Performance lead for the Region
- General members

Accountability

The Coaching TSG is accountable to Netball South Management Board. Minutes of meetings should be circulated and a report, highlighting items requiring discussion or approval, should be provided for each RMB meeting.

Duties and Responsibilities

- Liaise with England Netball to ensure the Region's Coaching development approach is aligned and designed to facilitate the achievement of EN's strategic objectives.
- To communicate and promote existing resources and programs to coaches and prospective coaches.
- Liaise with the Regional Performance lead and Performance TSG to cooperate on support for coaches in the recognised talent development pathways.
- Identify and assist those coaches that aspire to performance level coaching to enable them to achieve their ambitions.
- Where possible arrange mentors for those who wish to develop their Coaching.
- To ensure suitable coaching courses for the Region are available and coaches are provided with information on these.
- To provide general support and guidance for coaches where requested.
- To develop and maintain a list of all active coaches in the region.
- To produce a budget for coaching and to monitor expenditure.
- To ensure the coaching section of the Netball South website is kept up to date.
