

2017 OPEN SESSION

Fareham Fireflies is one of the largest junior netball clubs in Hampshire with over 200 members. Founded over 15 years ago, the club has a long history of providing girls with the opportunity to train, play and compete in the game.

The club is continuing to grow and is achieving greater success on the courts than ever before. Fireflies currently has teams competing in local, Southampton and Hampshire leagues and are hoping to have teams competing in the Regional league in 2018.

We are always looking for new members to join our club & share our love of netball and so on **Sunday 11th June** alongside the club performance trials we will be holding an open session at Henry Cort Community College in Fareham.
