CAPs Clubs

The Club Action Planning Scheme (CAPS) is a programme designed to captivate you and your netball club. It aims to support you to deliver a quality netball development programme and operate in line with best practice.

If you are interested in becoming a CAPS accredited club please contact the Regional office or your County Netball Development Officer for further details and support ([please see the contact sheet at the end of the newsletter). The process is outlined on the next page.

CAPs Congratulations

Congratulations to the following clubs on their recent CAPS accreditation/re-accreditation:

Princes Risborough Netball Club

EAGLES
NETBALL CLUB

The CAPS Process

BIG CAPS NEWS

In March 2017, CAPS went online. This has made the process of CAPS smoother, quicker and far more efficient. Going forward all new and reaccrediting clubs will go through the online system.

Steps to achieving CAPS

What help is available?

Step 1

Registration

Register your club for CAPS by completing the registration form and returning it to England Netball. You must have junior members (U19) and be affiliated to England netball

Download the form from www.englandnetball.co.uk/make-the-game/caps or contact your regional office

Step 2

Working towards CAPS

Actively work towards CAPS. You may want to form a working group to assist with completing the assessment file and collecting evidence.

Your Netball Development Officer (NDO) will contact you to arrange a meeting to go through the assessment file.

Step 3

Submission of file

Once you have completed the assessment file you need to submit this to your regional office by one of the assessment dates.

Find the assessment dates at www.englandnetball.co.uk/make-the-game/caps or contact your regional office.

Achieve Bronze CAPS

Step 4

Annual Health Check

Once you have achieved CAPS you must complete an Annual Health Check each year of accreditation. This is a self-declaration process to ensure that clubs are maintaining CAPS status.

Your regional office will contact you when you need to complete your Annual Health Check and your NDO will assist you if you need help.

Step 5

Silver and Gold CAPS

Once you have achieved Bronze CAPS you have the option for going for Silver or Gold.

If you wish to submit for Silver or Gold CAPS contact your regional office who will advise and support your club.

Step 6

External Verification

Clubs are randomly selected each year to be externally verified by an independent organisation to ensure that they are meeting Clubmark standards.

If your club is selected you will be informed by England Netball and you will be contacted by ClubMark), the organisation responsible, to arrange a date and time that is convenient.

Step 7

CAPS Re-accreditation

Every four years CAPS clubs must re-accredit. This will involve re-submitting the assessment file.

Your regional office will contact you to tell you when you need to re-accredit and your NDO will be available to assist you with updating your assessment file.

Club nets over £12k for charity after 12-hour challenge

Farnham Netball Club has raised £12,230.93 for charity, after playing non-stop for 12 hours.

The club, which was established in 1976 and has three teams successfully playing in the local Wavell Invitation and Saturday Aldershot Garrison leagues, took on the grueling challenge in the searing heat on Sunday, 1 July for Mind and Tamba (Twins and Multiple Births Association), after two of its members experienced tragic losses last year.

In October, long-standing club member Tina Mumford, who lives in Aldershot, suffered the loss of her son Tom, after the 18-year-old sadly took his life following a long-term battle with mental health issues.

Just weeks later Sam Brennan, who lives in Ash and was pregnant with identical twins, tragically lost her boys Jack and Harley after being diagnosed and undergoing unsuccessful treatment for TTTS (Twin to Twin Transfusion Syndrome). The rare but life-threatening condition affects 10 to 15 per cent of identical twins that share a placenta.

Twenty-eight teams from across the South East area played against Farnham's two squads in the challenge that took place at St Nicholas' School, Fleet, who generously donated their facilities for the day.

"It was fantastic to see so many people supporting the cause," said Rebecca Wilson, who was instrumental in pulling the event together alongside Sam and Tina as well as club members Sara Green, Antonia Stadler, Jill Wilkinson and Lesley Whyte.

"We set ourselves the target to raise £2,500 to be shared equally by the two charities so are absolutely delighted to have literally smashed that goal! It was amazing to see the local netball community as well as over 300 friends and family come together in this way. We even welcomed back Margaret Smith-Gander on court who founded the club alongside Edwina Hunter over 42 years ago as well as former secretary Sue Baldwin and chair Barbara Mellish, who generously offered her support all day in between her playing stints."

Keith Reed, CEO of Tamba, who came up from Southampton to play in the charity's own team, said: "We are incredibly grateful to Sam and her netball club for choosing Tamba as co-recipient of the funds raised. It was a super day and we were proud to be able to share that with everyone who had given their time and money to help."

Karen Bolton, Head of Community and Events fundraising for Mind, said: "We are tremendously grateful to Farnham Netball Club for choosing Mind as one of the charities to benefit from their epic challenge. Playing netball non-stop for 12 hours is not only an amazing achievement in itself, it's also a brilliant way to help break down the stigma that still surrounds mental health and highlight the positive impact physical activity can have on mental wellbeing. Every penny raised will fund Mind's vital work including the Mind Infoline, our advice services and the campaigning the charity does to secure a better deal for the one in four of us who experience a mental health problem each year."

Players and supporters were entertained by Jack Mason, who appeared on last year's X Factor, and kept refreshed thanks to the BBQ supplied and managed by Aldershot's Red Lion public house.

The club would like to thank all of the organisations and individuals who kindly donated amazing prizes and donations for the raffle and auction as well as those who provided cakes for the stand, which was expertly manned by the 1st Aldershot Guides.

For more information about Farnham Netball Club, visit www.farnhamnc.com

About Mind: Mind is the leading mental health charity in England and Wales. It provides advice and support to empower anyone experiencing a mental health problem, as well as campaigning to improve services, raise awareness and promote understanding.

Mind has a confidential information and support line, Mind Infoline, available on 0300 123 3393 (lines open 9am - 6pm, Monday - Friday)

For further information, please visit mind.org.uk

About Tamba: Tamba is the only UK-wide charity dedicated to improving the lives and well-being of families with twins, triplets or more. Representing 18,400 members and 150 local clubs in the UK, Tamba provides help and support to both parents and professionals to meet the unique challenges faced by multiple birth families.

For confidential and emotional support for families with multiples, please call Twinline which is staffed by trained volunteers that are parents of multiples and can offer support on sleeping feeding, crying, behaviour, discipline, school issues or special needs. It is free to call from a landline on 0800 138 0509 and is open every day from 10am-1pm and from 7pm-10pm.

National Clubs Finals

U14s

The 2018 National Clubs U14 Finals took place on 26th & 27th May at Sport Central, Northumbria University, Newcastle.

Fantastic netball was on display with Woodley and Weston Park Blades representing from the South.

Woodley Netball Club 3rd place

Weston Park Blades 6th place

U16s

The 2018 National Clubs U16 Finals took place on 28th & 29th April at University of Nottingham.

Weston Park was representing the South again along with Eagles Netball Club.

Eagles Netball Club 4th place

Weston Park Blades 8th place

Well done from Netball South to both clubs on their success at the National Club Finals!

Netball in the City

What another fantastic Bucks and Herts Netball in the City event. For the second year running Louise Exton (South Bucks & Berks Netball Development Community Coach) teamed up with Lucy Ponting (Hertfordshire Netball Development Community Coach) to run this mixed workplace netball tournament event catering for both Buckinghamshire and Hertfordshire.

The event ran at Stoke Mandeville Stadium for the first time and therefore attract five teams to the tournament who all hadn't taken part in Netball In The City previously. There was some great play from all of the teams, and the men gave the women a run for their money.

Well done to Passaro & Co for winning the event.

Also a massive thank you for all those who came to volunteer their time to help out at the event. It couldn't have happened without you all so was very much appreciated.

Back to Netball

On Wednesday 13th June, Louise Exton (South Bucks & Berks Netball Development Community Coach) held a Back to Netball friendly game between two of her Back to Netball sessions currently running in Bucks. One team came from Back to Netball at Evreham Sports Centre the other from Back to Netball at Hazlemere Youth Centre. This was a great chance for both teams to put all their skills training in to practice and what a game it was. Both teams played amazing with the scores showing that, for majority of the game the lead was by only one or two goals.

It was fantastic bringing two back to netball groups together to play in a fun and friendly environment with the ladies requesting another game as soon as this one finished. It was amazing to see all the ladies enthused and inspired to play more netball. Both teams picked up tips from one other to take back to their game.

By the end of the game the Hazlemere Back to Netball group just pipped Evreham to it beating them but just a couple of goals.

Due to the success of this friendly game, Louise hopes to plan and run plenty more. Starting with a Mini Back to Netball Tournament running on Sunday 19th August.

Wingrave Back to Netballers Do the Double!!

This season, some of the ladies who attended Back to Netball last year formed a team (under amazing coach Georgie Camfield). They entered both the Aylesbury District Netball League and MK Indoor Netball League this season for first time and won their division in both leagues!

Walking Netball

Bucks Walking Netball tournament

Six teams from Buckinghamshire, Bedfordshire and Hertfordshire came together for a Walking Netball Tournament on the 16th June at Stoke Mandeville Stadium. The teams included Aylesbury, Bletchley, Bedford, Silsoe, Berkhamsted and Wingrave.

£200 was raised for Wheelpower.

The event was hosted by Natalie our Stoke Mandeville Stadium WN Host.

Are you aged 12-25 or have young people in your club who are? Involved in volunteering? Want to get recognised?

What is Pass on Your Passion?

The 'Pass on your Passion' programme aims to recognise the countless number of young volunteers in netball. It aims to provide you with opportunities, ideas and rewards to help you on your leadership and volunteering journey. No matter what your role in netball, we want you to Get Involved and Get Recognised.

Who is it for?

Every young person aged 12-25 that is actively volunteering in netball, whether that's as a coach, official, committee member, event helper, school team helper...the list is endless!

How does it work?

Once you've registered you will receive your volunteer portfolio and logbook. Just log your voluntary netball hours and send back the yellow copy to England Netball to receive your rewards in the post! It's as simple as that! You have 2 years from the date you became a member to complete your hours and claim your rewards.

PLEASE NOTE: Voluntary hours can only be counted from the day you sign up.

Rewards

Benefits!

Not only will you get rewarded for the hours you complete, but just by registering as a member of 'Pass on your Passion' you'll get access to:

- FREE Regional Training Days where top coaches and officials will be on hand to pass on their knowledge.
- E-newsletters to keep you up to date with the latest information and voluntary opportunities.
- Invitations to volunteer at National and International netball events.

Register NOW!
