[Netball South](#)

[@Netballsouth](#)

WELCOME

You may be aware that I have stepped into the role of Acting Chair over the past couple of months following the resignation of Bill Alexander and will be carrying out this role until the Souths AGM in September. At the same time the Board has also seen Carol Alexander leave. We would like to thank Bill and Carol for their contribution to the South Region over the large number of years. Their knowledge and experience has widely benefited many Boards, Leagues and individuals within the South Region and beyond over a substantial time frame and this experience will be difficult to replace. We will be advertising for new members for the board to be elected from September.

We have a lot to celebrate in the South at the moment, our Schools have done extremely well at National Schools, our Umpires are being selected to officiate at very prestigious events, and some of our previous South players are gracing the netball court at England Academy, Vitality Superleague and NPL Superleague Level.

Performance completed the selections and are now training the U17's Team South Tigers for the NPFL Tournament taking place in August. With a returning Head Coach and Team Manager, along with a newly appointed Assistant Coach, we are hoping to do as well as we did last year at the tournament, if not better! Your support at the tournament is always welcome, please do come and watch our future Performance Athletes take to the NPFL court at the University of Nottingham, 24th—27th August 2017.

South's development of Back to Netball and Walking Netball is always growing, with four Netball Development Officers and two Netball Development Community Coaches working tirelessly to set up, facilitate and coach new sessions for all netballers in our region. For information on sessions near you visit our website www.netballsouth.co.uk/play-netball.

We hope you enjoy reading our newsletter, if you, your club or league have something to celebrate over the next few Months, do let us know by emailing south@englandnetball.co.uk with the subject "Newsletter Summer 2017".

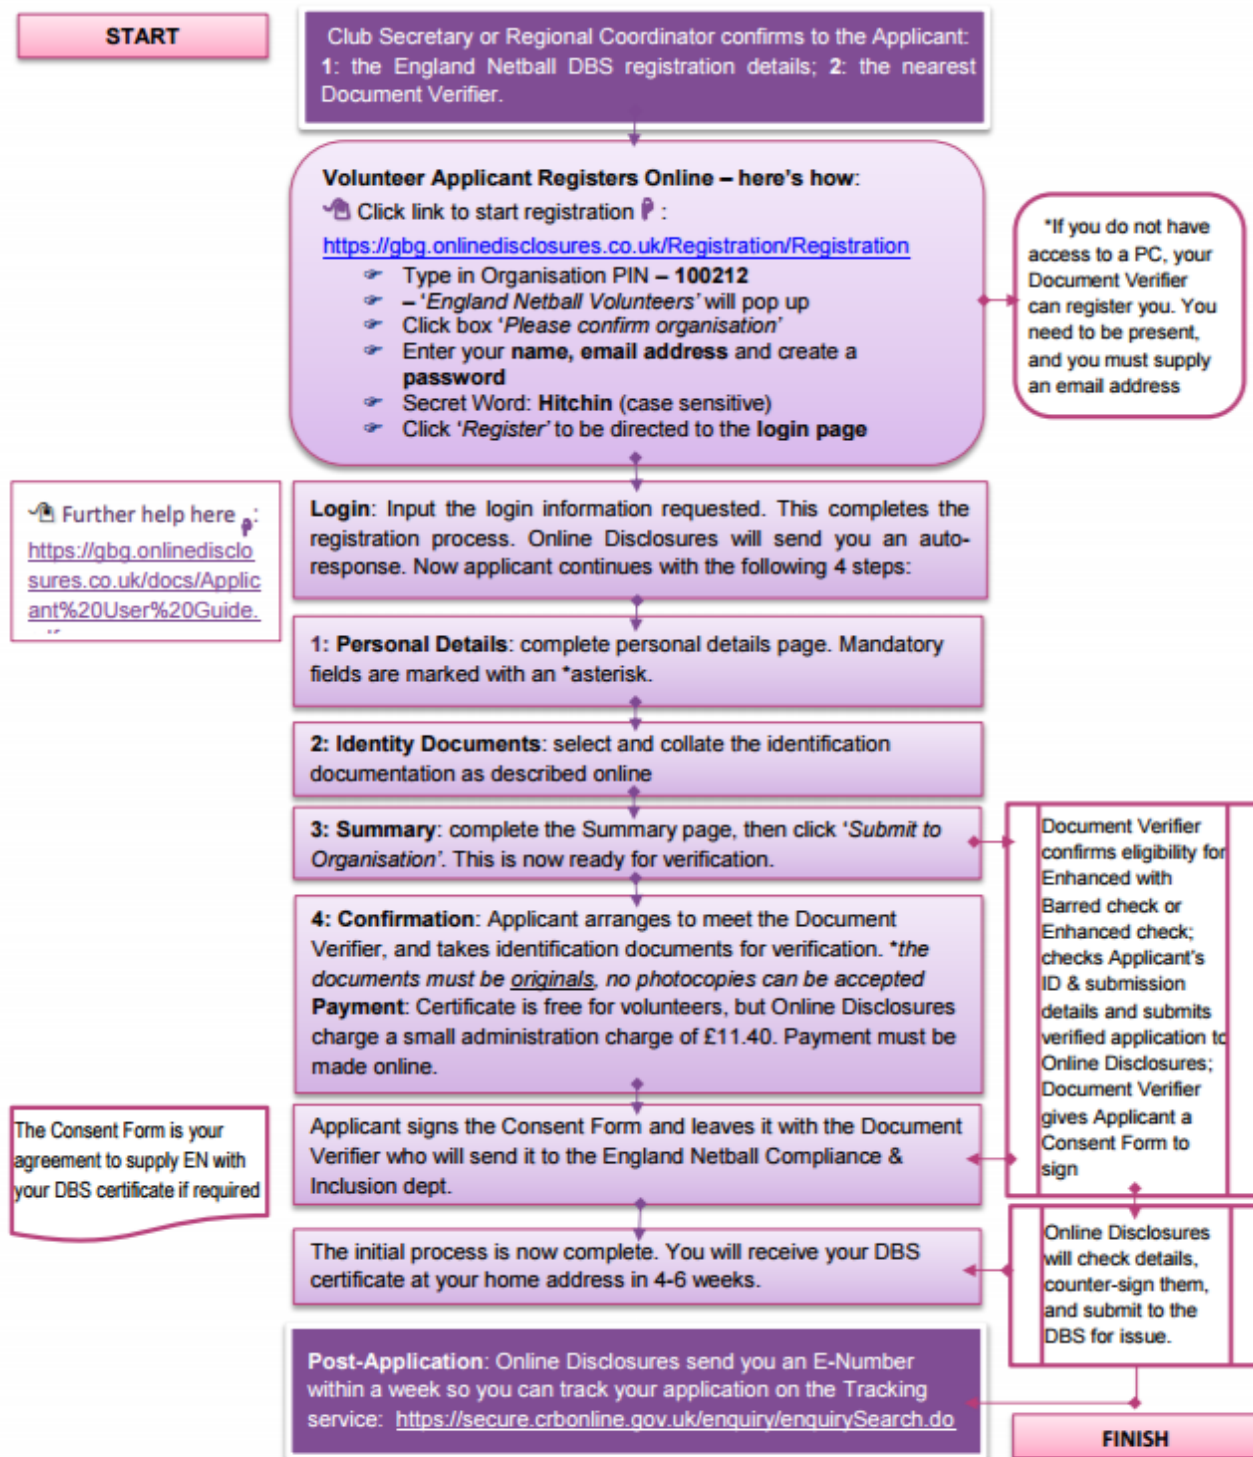

Carol Williams, Acting Chair South RMB

DBS Information for Volunteers

Disclosure & Barring Service (DBS)

Application Process for Volunteers

Regional Management Board Recruitment

The Netball South RMB are hoping to recruit enthusiastic, motivated volunteers with a passion for netball to sit on the Management Board or one of our Technical Support Groups. The RMB is a group of hardworking volunteers who work to develop netball in our region, working closely with the following operational Technical Support Groups:

- Competitions
- Coaching
- Officiating
- Performance

The board would like to engage with people who are interested in Netball in the South, passionate about volunteering and who have any experience in Netball or relevant associated areas, such as events, governance, HR or leadership.

The following RMB roles will become available to apply for in the lead up to the 2017 AGM, taking place on the 5th September.

- Chair
- Vice Chair
- General Members

If you are interested and would like more information on these roles please contact Holly Hart, the Regional Manager (holly.hart@englandnetball.co.uk) or Carol Williams (carolwilliams1@sky.com) the Acting Chair of the RMB.

Please also keep an eye out for updates on this recruitment process by visiting our website, Twitter and Facebook.

Coach Recruitment

Sussex Netball Club Coach Recruitment

If you are a level two (or higher) coach and interested in being part of a successful, growing and dynamic netball club then we want to hear from you. We have 3 senior sides, competing in Premier National league 2, Regional South League division 1 and Regional South League division 3. With two junior teams, U'16 and U'14 forming for the start of the upcoming season 2017/2018. SNC are a friendly yet competitive club that foster the team ethos on and off court. We are looking for coach/es who are good team players themselves, possessing great communication and organisational skills and the drive to push successful teams to the next level. If this sounds like you then please get in touch. In addition to this paid role we are also looking for volunteer assistant coaches, this is a fantastic opportunity for anyone interested in developing their netball coaching knowledge and skills base. You will work alongside highly qualified coaches with access to the highest playing level team in the county. The role will give you access to further coaching qualifications and experience. Both roles require a commitment to be available for training (Wednesday evenings) and match fixtures (Sundays). We look forward to hearing from you.

sussexnetballclub@yahoo.co.uk

Aylesbury Based Netball Club Seeks Coach/Umpire

An Aylesbury based Netball Club seek a Level 2 Netball Coach and C Award Umpire. Summer Training sessions take place on Wednesday evenings. In-season training sessions are on Tuesday nights with games on Wednesday Nights. Both positions are paid. For more information please contact Natalie using the email address below.

lovin_eeyore@hotmail.com

Netball Coach Required

Thame Netball club are looking for a new Coach. They currently train on Friday evenings at Lord Williams Lower School Sports hall, Thame. 6pm - 7.30pm. This role would also involve attending matches played on a Wednesday evening in and around Aylesbury in the Aylesbury and District Netball League, between 7pm to 10pm depending on what teams are playing. Payment can be discussed if interested. The club is happy to cover costs of a Coaching course if required.

Please contact thamenetballclub@hotmail.co.uk for further information. Thank you for your help.

www.thamenetballclub.co.uk, Facebook: Thame Netball Club

Bloxham Schools Sport Graduate

The sports coach will be responsible for teaching and coaching Hockey & Netball. Experience of coaching to a high standard, within a school or youth environment desirable. Monday- Saturday school day working hours.

CAPs Clubs

CAPS is going ONLINE!

From March 2017, the only way CAPS Accreditations will be awarded is through an online process where clubs work with their NDOs and Regional Coordinators to complete and upload forms and evidence to an online portal. This is a new process, so there will be teething problems throughout the first few Months. Please be patient with our staff throughout this period.

Assessment Deadlines: There will be an assessment week every month where clubs will be able to send in their online submissions. This is assessed regionally, and then nationally, before receiving confirmation of accreditation, certificates or a list of outstanding evidence. The Assessment week will be the 1st –7th of each Month, if you were to miss an assessment week, you will only have to wait three weeks until the next.

The first assessment week will be on 1st —7th May 2017. Please complete online submissions before or during this week.

If you would like to ask any questions please use the details below.

Regional Office: South@englandnetball.co.uk 01628 478985

Development Officers

Hampshire & IOW: Carey.McCormick@englandnetball.co.uk

Berkshire & Oxfordshire: Nicola.Young@englandnetball.co.uk

Sussex: Stacey.Boxall@englandnetball.co.uk

Buckinghamshire : Joanne.Odro@englandnetball.co.uk

CAPS FAQs

Can our club complete our accreditation by folder assessment?

Unfortunately not, the final folder assessment was in March, we can now only process accreditations/reaccreditations/upgrades on the online portal.

When does our club need a site visit?

A site visit is when your Netball Development Officer visits your club, looks through your documents and ensures you are working as your evidence says you are. This needs to be completed before the online portal upload. It is best to have all your evidence/documentation collected before the site visit takes place.

Can we have a site visit before our paperwork is completed?

Due to scheduling and other reasons, you might have to have your site visit before you have completed your paperwork, this however isn't the best way to do it as your NDO's will be able to look at your paperwork and give feedback before you upload.

If we are unsuccessful, how long do we have to provide new or updated evidence?

This will not change from the folder assessments, you will have a month (up until the next assessment period) to supply us with additional evidence requested.

If we have missed a submission or have been working towards for sometime, but are yet to submit, at what point could our CAPS accreditation be revoked?

If your CAPS is overdue by more than 6 months, we will begin the process of revoking your CAPS accreditation (please note this is flexible and will be looked at on an individual club basis.). Many clubs go through difficult periods, for example committee changes or restructures. If this is the case please let your NDO know and they will be able to help you. If there are any other reasons why you are struggling with CAPS, make us aware.

Can we upload evidence sporadically or out of order?

No—the online portal only allows you to upload in order. It is therefore suggested that you collect all paperwork/evidence and then begin to upload it. We recommend storing all paperwork and evidence on a memory stick or folder on a computer until you are ready to upload.

We are a Bronze/Silver club who have more than 2/4 coaches, do we need all of their certificates?

All coaches need to be on your Work Force Matrix, however you only need certification evidence of 2 (for bronze) and 4 (for silver) of your coaches. You need a minimum of 1 x L1 and 1 x L2 (for bronze) and 2 x L1 and 2 x L2 (for silver).

My club need to register as a Working Towards CAPS Club, where can we do this?

You can register your club for CAPS here: <https://www.englandnetball.co.uk/make-the-game/caps/how-to-register/>

What is CAPS and why is it good for my club?

Good question—follow this link for all the information you need. <https://www.englandnetball.co.uk/make-the-game/caps-2-2/caps-incentives/>

Back to Netball Case Studies

With Back to Netball in South Bucks growing, we spoke to Gemma and Sian from Back to Netball Sessions and Leagues in Bucks to find out what they think about Back to Netball and why you should join!

Gemma

1. How did you find out about Back to Netball in South Bucks?

I found out about B2N through one of my neighbours.

2. What is your favourite thing about a Back to Netball Session?

My favourite thing about the sessions is how relaxed and fun they can be. There has never been any pressure to be good at a skill straight away and the coaches are great at taking you through the different elements step-by-step.

3. Why did you decide to give Back to Netball a go?

I have been into sport all my life and when I started B2N, I was also new to the area, I was looking for something which could keep me fit, but at the same time be fun and social. B2N has definitely hit all three!

4. If someone was considering taking up Back to Netball, what would you say to them?

I'd say definitely do it or at least give it a go! No matter how long ago you played, it's surprising how quickly you can pick things back up. Having only played netball through PE lessons in school, I didn't think netball was all that fun. B2N has definitely changed my mind on that and now I can't get enough of it!

5. What has been your Back to Netball Journey, from stepping onto the court for the first time, to now?

I started off in a small session where there was usually about 3-4 of us. I don't think I knew very many of the rules and could never get my foot-work quite right (still working on this!). I now go to the B2N sessions 2-3 times a week and feel so much more confident in my playing ability. I've met so many new people and have managed to develop

and become part of a new team which currently plays in a B2N league. Through playing in the league, I've even started to learn how to umpire!

6. Have you taken up any other netball roles since becoming a Back to Netballer?

Since becoming a B2Netballer I now co-captain a team in the B2N league and am learning how to umpire.

7. What's your favourite position to play?

I think my favourite position would have to be centre but I do occasionally like to play goal attack when luck is on my side!

Back to Netball Case Studies

Sian

1. How did you find out about Back to Netball in South Bucks?

Through a friend who played for her university netball team. She wanted to get back in to netball, and I was bored of going to the gym and convincing myself 20 minutes of walking on the treadmill counted as exercise. I had played netball at school but hadn't played since and was keen to get back in to an actual sport rather than doing aimless sessions of walking around the gym!

2. What is your favourite thing about a Back to Netball Session?

Probably the social side and making new friends, as well as feeling like I've really exercised for an hour – I feel like I've actually achieved!!!

3. Why did you decide to give Back to Netball a go?

I really wanted to get back in to the sport after a break of about 10 years, having last played in high school. A team sport was much more appealing than going to the gym.

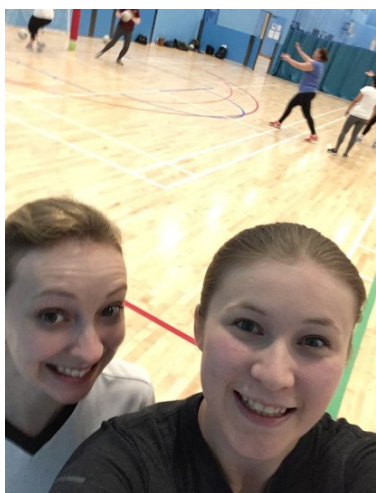

4. If someone was considering taking up Back to Netball, what would you say to them?

Go to your first session and then keep going! Even when you feel like you're a bit rubbish at it, don't worry, just keep playing for the fun! And as a bonus it's good for you and you might even make some new friends.

5. What has been your Back to Netball Journey, from stepping onto the court for the first time, to now?

I started off at quite a small session, re-learning the rules and the types of pass, working through practicing some defending and shooting. I started going to two sessions a week after sessions started at my local leisure centre. Back to Netball ran a small scale Sunday morning tournament, and a few of us decided to give it a go. We came (joint!) third out of nine teams so not bad for our first outing! After taking part in the mini tournament we decided to enter the back to netball league as Wycombe Wolves. We're four or five games in now and are not doing too badly.

6. Have you taken up any other netball roles since becoming a Back to Netballer?

As the Back to Netball league involves each team providing scorers, umpires and timers, as well as playing, I have started learning to umpire. I am very much a beginner at this at the moment but hope to take some of the umpiring tests in the future.

7. What's your favourite position to play?

I quite like playing goal attack – you get the freedom to move around a bit and you can shoot. Turns out I'm not as terrible at shooting as I thought I was when I was at school!

Walking Netball in the South

Walking Netball in the South is starting to take form. With four courses already been run to train up our amazing Walking Netball Hosts, Walking Netball in the South is becoming a regular occurrence. For information on Walking Netball in the south please use the contacts below.

South Regional Schools

This season, the Regional Round of National Schools took place on Saturday 28th January 2017 at Wavell School in Farnborough. A whopping 39 teams competed across the 3 age groups for a place at the National Finals.

Congratulations to our National Finalists:

U14: Brighton College and Headington School

U16: Brighton College and Hurst

U19: Beaconsfield High and Hurst.

We would like to thank the organisers, volunteers, umpires, technical officials, parents, teachers and players for making it such a fantastic event. A massive thank you also needs to be extended to Sophia Candappa, Wasps Netball player who took time out of her busy schedule to be there on the day and give out the prizes.

Thank You!

Officials On the Day

Thank you to all the umpires, court managers and all the organisers at Wavell School. Umpires used for the Semi finals and finals can be seen below. Thanks for your hard work—it couldn't happen without #TeamWhite.

U14 Umpires

U14 Semi Finals Dickon Adams and Nikki Dewick
Megan Samual and Pam Nebbitt

U14 Final Chantel Moore and Elaine Shannahan
3rd/4th playoff Erin Graham and Helen Turton

U16 Umpires

U16 Semi Finals Lisa Valley and Mark Sheen
Chantel Moore and Paul Withers

U16 Final Liz Sywyj and Mark Sheen
3rd/4th playoff Sarah Kucera and Sam Skinner

U19 Umpires

U19 semi finals Chris Obin and Elaine Shannahan
Julie Wilkes and Liz Sywyj

U19 final Chris Obin and Julie Wilkes
3rd/4th playoff Ben Valley and Rebecca Moher

Hampshire Volunteer Awards

The much anticipated Hampshire Volunteers Awards took place on the 24th March 2017 at Fleming Park Leisure Centre. It was a fantastic celebratory evening with some of the best Hampshire volunteers, coaches and officials being recognised with awards. Thank you to everyone who was able to attend on the night and well done to all those that were nominated for an award. A special mention to Yasmin Parsons for attending and presenting the awards, an original Weston Park Blades player who is now playing in the Vitality Netball Superleague.

Congratulations to all Our Winners!

Senior Volunteer of the Year - Janine Robinson

Coach of the Year - Sarah Blackmore

Club of the Year - Dreams N.C

Official of the Year - Sarah Haswell

Junior Volunteer of the Year - Ellie Fox

Team of the Year - Ravens Crests

Junior Sportsperson - Chloe Wilds

Unsung Hero - Barbara Mellish

Project of the Year - Walking Netball - Everyone Active

Service to Sport - Angie Osborne and Jane Tunney.

The South Team are still sending in their “wins” in order to celebrate our success. If you know any wins that your NDO or NDCC have achieved for you do share them with the regional office.

Little Wins...

- The Sussex and Hampshire UKCC Level 1 Courses are fully booked – this potentially means 40 new Level 1 coaches in the South Region.
- The Oxon School Games were a BIG Success.
- Berkshire NDO introduced 84 Disabled participants into our wonderful sport.
- We are beginning to book venues to the next set of UKCC Coaching Courses – watch this space!
- Regional Net10ForLife Fundraising Goal achieved and surpassed.
- The South UNO's are continuing to build their netball networks at their respective universities.
- Carey – Hampshire NDO is expecting a Baby, any time now!

Remembering Lisa Wise

Lisa Wise sadly passed away on April 2nd after a short battle with Ovarian Cancer. She spent her last few days in the Duchess of Kent Hospice in Reading where she was with her family and the most compassionate staff. Lisa was a loving wife, an inspirational mother to three sons and a netball coach/leader/mentor/genius to so many in Berkshire.

Lisa was more commonly known as 'Netball Lisa' among the netball world. Her passion for the sport was astounding, she had a vision to make netball accessible to all and she made that a reality; she fought for new courts to be built in the local community and was frequently heard on the local radio promoting and talking all things netball. Lisa was the founder of Laurel Park Netball Club, starting out with a few Mums who watched football on the side lines. It quickly grew into a club of well over 100 members ranging from 6-60 and teams in division 4 through to the Premier League. Her mission was to encourage anyone and everyone to play and she certainly achieved this. Lisa built 8 teams within Laurel Park, ran mixed charity events, made regular appearances on the radio and even had a debut on BBC's The One Show. Lisa really was an incredible woman, she has touched so many people's lives with her kindness, generosity, happiness and positivity for well, everything!

As well as being a mum, wife and working full time, she was on the committee for Berkshire Premier Netball League, Bracknell District Netball League and was the media correspondent for Berkshire netball. She was also working her way towards her Level 3 coaching qualification and volunteered for England Netball developing grassroots. You could guarantee if netball was mentioned, Lisa would be there!

Lisa's family and the club are keen not to let her passing be in vain. Her legacy will live on through all the girls in Laurel Park and they will continue to wear black and red with pride. However, the family and the club's efforts now turn to promoting awareness of Ovarian Cancer. Fundraising events will be held regularly and awareness of the signs and symptoms will be promoted with support from Target Ovarian Cancer. If you wish to donate then please visit <http://uk.virginmoneygiving.com/SomeoneSpecial/lisawise>

Lisa was known for her banter, her laughs and her huge personality, for that we are all so grateful and honoured to have known her and been a part of her life.

Thank you to Liz Johns for writing this piece about Lisa.

For every woman. For life.

Do you know the symptoms of ovarian cancer?

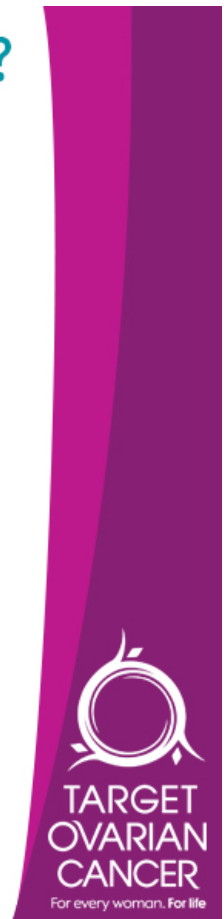

Bloated tummy
Need to wee more
Tummy pain
Always feeling full

If you have any of these symptoms more than 12 times a month and they are not normal for you, it's important that you see your GP.

Early diagnosis saves lives

Please share this to let women know the symptoms of ovarian cancer

Back to Netball for Cancer Research UK

Cancer Research UK the winner at latest Back to Netball Festival

Over £900 was raised by local Back to Netball teams at the latest festival hosted by Debbie Laycock, South East Hampshire NDCC.

12 teams from Portsmouth, Fareham, Southampton and Gosport came together to play in a friendly versatility festival, with all players having the opportunity to play in every position.

Fareham side Knowle Hotshots took home the winners' medals, on goal difference from Southampton-based St Denys in a close, nail-biting finish.

Knowle Hotshots player Vicky Richardson was over the moon with the win and said: "We've had a fabulous evening, we always do, as these festivals are always played in the best of spirits. Its hard work, but great fun to play in different positions and we've had a great team bonding experience! Bring on the next one!"

Organiser, England Netball's Community Coach, Debbie Laycock said: "It's only the second versatility festival we have run but we found it was a great leveller, with all teams winning at least one match during the event and putting points on the board! As with all our Back to Netball events the emphasis is on fun and friendly and the ladies put on a great show, with some great feedback received."

She added: "As with all charity events there are a number of people of contributed to make it so successful. Huge thanks to BH Live for hosting us, HC tournaments and Place for People for some great raffle prizes and to all the team organisers for entering! Thanks also to all the ladies who contributed prizes on the evening, there were so many I couldn't personal thank them all, although Whiteley Warriors all chipped in for afternoon tea as a raffle prize, which I thought was a lovely gesture!"

Back to Netball continues to be well-received in the area, with new sessions in Fareham and Liphook seeing record numbers. More festivals will be held in the Spring and Summer, as the weather hopefully takes a turn for the better, with a mixed tournament and also a festival just for Back to Netball teams who have been together for under a year, taking priority.

To find your nearest or most convenient Back to Netball session please log on to <http://www.englandnetball.co.uk/netball-finder/> www.netballsouth.co.uk/back-to-netball-sessions or email Debbie Laycock Debbie.laycock@englandnetball.co.uk

For more information on Officiating courses please use the Netball Finder on the England Netball Website <https://www.Englandnetball.co.uk/netball-finder> or get in touch with your County Officiating Lead.

Coaching CPD Courses

We are currently planning our next set of CPD courses running in the South Region.

For more information on CPD courses in the South please get in touch with your NDO or Regional Coordinator—south@englandnetball.co.uk

Are you aged 12-25 or have young people in you club who are? Involved in volunteering? Want to get recognised?

What is Pass on Your Passion?

The 'Pass on your Passion' programme aims to recognise the countless number of young volunteers in netball. It aims to provide you with opportunities, ideas and rewards to help you on your leadership and volunteering journey. No matter what your role in netball, we want you to Get Involved and Get Recognised.

Who is it for?

Every young person aged 12-25 that is actively volunteering in netball , whether that's as a coach, official, committee member, event helper, school team helper...the list is endless!

How does it work?

Once you've registered you will receive your volunteer portfolio and logbook. Just log your voluntary netball hours and send back the yellow copy to England Netball to receive your rewards in the post! It's as simple as that! You have 2 years from the date you became a member to complete your hours and claim your rewards.

PLEASE NOTE: Voluntary hours can only be counted from the day you sign up.

Benefits!

Not only will you get rewarded for the hours you complete, but just by registering as a member of 'Pass on your Passion' you'll get access to:

- FREE Regional Training Days where top coaches and officials will be on hand to pass on their knowledge.
- E-newsletters to keep you up to date with the latest information and voluntary opportunities.
- Invitations to volunteer at National and International netball events.

Register NOW!
